caroskin™ ELASTIC

caroskin™ LIGHT

- Double elasticity contributes to comfort and adhesion
- Reusable and washable (including machine washable)
- Durability makes the range very cost-efficient
- UPF 50
- Different thicknesses offers choice
 - Elastic (1.4 mm): Optimized for effect, large scars
 - Light (0.5 mm): Sensitive skin, joints, curves

- Highly concentrated silicone gel
- Fast drying/non-sticky
- Not visible when dry
- Smaller scars / surgical / incisions / discreetness desired (e.g. facial scars)
